

Dear AP & IB Students and Parents,

Below are the PSYCHOLOGY requirements for the summer.

1. Audio or Tape/Video INTERVIEW with a Psychiatrist/Psychologist due the first FULL WEEK OF CLASSES and will not be accepted after MON.AUG.23rd. There is NO SPECIFIC FORMAT, as I want to see how each student approaches this and the particular ingenuity & style.
2. Book “40 Studies That Changed Psychology”. The first 10 studies must be read and the answers at the end of each answered.
3. COLORED NOTE CARDS: 4 packs
4. Large 3 Ring Binder with papers and 18 dividers.
5. Buy (approximately \$20 at Borders/Barnes & Noble) “Making a 5 on the AP Psychology Exam” due the first week of school.

My e-mail is lucy2teach@bellsouth.net if you have questions this summer. I can't wait to get started in the fall.
