

Go to the following website: [www.glenco.com/ose](http://www.glenco.com/ose)

Enter the following code into the Student login Access code box: fba95d3424

The picture of your book should appear. On the upper left hand side of the page is a **Table of contents** button. Click this button. A drop down menu will appear. Click on **Unit 2 The Cell**. A menu will appear to the side of the first menu. Click **Chapter 6 Chemistry in Biology**. This will take you to the correct chapter in the book. Close out of the menus by clicking the **small red X** at the top of the second menu.

You can use the arrows at the bottom of the page to change pages and the magnifying glass at the top to zoom in or out to see the text better.
