

DUE THE FIRST DAY OF SCHOOL – NO INTERNET TRANSLATION – MUST BE “HANDWRITTEN” IN SPANISH – NO ENGLISH.

PROJECT: POSTCARD

In this project, you will be writing a POSTCARD home to a friend or a family member. You will choose a Spanish-speaking country to find information about and then compile the information into a postcard.

This postcard should be accurate in describing the population, capital, landmarks, geography, and other basic information about that country. Your postcard should have 15 sentences about the country. The FRONT of the postcard will be designed with cultural items from the country, a map of the country, pictures of cultural events, or landmarks in that country, etc.

This project is worth 100 points. You will be graded on your:

1. Use of proper grammar
2. Spelling and proofreading
3. The accuracy of your work
4. The attractiveness and organization of your postcard
