

AP European History Summer Reading  
N. Parrish

I. *A History of Western Society*. Chapter 12

A. Read and take notes.

B. In addition, complete the study guide that accompanies the chapter. Bring the completed study guide to class on the first day.

II. *The Return of Martin Guerre*. Natalie Zemon Davis. 1983.

I know that there is a film by this title. Watch it if you want in addition to reading the book, but be sure that you read the book and take notes. The book test will reflect the book, not the film!

III. *The Prince*. Machiavelli.

Read the book and take notes. A book test will be administered during the first week of school.
